January 25, 2026

Please sign up to deliver Meals on Wheels the week of January 26-30. Thanks for helping with this local outreach mission.

It is exciting to share that we have received a first payment from Homeland Security to help recover the expense of finishing the basement following the flood. The check for \$31,257.88 will help pay down the loan that was needed to complete the project. Thanks to those who faithfully give to the building fund, your support is very much appreciated.

Mission Update from Sofie De Jong: We're just about through our first week of YWAM, and I wanted to take a moment to share a little update. Honestly, it's been really, good so far. I've been enjoying the classes so much they've been stretching me, challenging me, and encouraging me in ways I didn't fully expect. The worship times have been incredibly meaningful, and I already feel like the Lord is meeting me there in such a personal way.

The students here are also such a blessing. Everyone has been kind, welcoming, and genuine, and it's been so sweet getting to know people who are all here for the same heart and purpose. It already feels like community is forming, and I'm grateful for that.

One special thing for me this week is that I've started writing again. I didn't even realize how much I missed it until it came back. Writing has always been a way I process what God is doing in my heart, and being able to put words to this season feels like such a gift. It feels like something the Lord is gently restoring.

Overall, I'm just thankful, thankful for how God is moving, for what He's teaching me, and for the prayers and support that got me here. I'm excited to see what the rest of this journey holds and to continue sharing along the way.

Sofie will be going to serve youth in Central Asia at the end of March.
